The name "Oasis" carries a sense of tranquility and renewal for good reason. Here, amidst greenery and sparkling water features, these detached villas find their home. Step inside and feel how nature embraces you with every carefully designed detail, where every stone and plant contributes to harmony and well-being. With 2, 3, or 4 bedrooms, the villas offer an oasis of comfort and luxury. On plots ranging from 420m² to 1000m², they each feature a private pool and a dedicated beach area, where natural materials converge.

Each Oasis villa is imbued with high-quality finishes, crafted using only the finest materials, and characterized by our unique and innovative building system, SISMO. This system offers high energy efficiency (A-label) and excellent thermal insulation according to Northern European standards.

With three different villa models, each with an XL version, there's something for everyone. And with the ability to choose materials during construction, you can customize your dream villa down to the smallest detail.
