Apartment with garden provided with 3 Bedrooms and 2 Bathrooms, inside & outside swimming pool and underground parking space with storage room.

All homes are fully equipped and ready to move into, including all furniture and decor in Mediterranean design, a separate laundry room, underfloor heating throughout, bed linens, and a household package with plates, cutlery, glasses, pans, etc.

We've also thought about creating a space where all our guests can enjoy and relax year-round, regardless of the season, without having to leave the complex. That's why we have a large outdoor pool (for adults and children), a playground, and green areas. In the basement, we find a spa with a heated pool, massage jets, sauna, and fitness room.
