This project comprises eight semi-detached houses: Astra, two semi-detached houses: Apolo, and four Villas Olimpo.

These homes, built using our advanced modular building model, combine serene luxury with modern functionality.

Spacious living areas, an A+ energy rating, abundant natural light, breathtaking sea views, and architectural lines that harmonize with the landscape.

Each home is characterized by its minimalist, Mediterranean, and sculptural architecture. Pristine white forms blend harmoniously with crafted wood panels, radiating a sense of warmth. The dance of shadows and dimensions, combined with the visual harmony between indoors and outdoors, creates a unique living experience.
