Villa provided with 3 Bedrooms and 2 Bathrooms, private swimming pool and parking space on own plot. Each villa has been carefully designed by a specialized team of architects, with an eye for light, space, and orientation. The result: unique homes with their own distinct character, where indoors and outdoors flow seamlessly together and where every day feels like a vacation. These homes combine progressive design and exceptional build quality with the highest standards of sustainability and living comfort. There is a choice between 5 types of houses, each with their own typical features.
